## PROFILE

- Perseverant
- Passionate
- Curious

## EDUCATION

### Bachelor of Technology (BUT) in Electrical Engineering and Industrial Computing (GEII)

Aix-Marseille University IUT 2023-2026

Site de Salon de Provence - France

### B2V Electrical Qualification (Electrician Operator)

Aix-Marseille University IUT 2023-2026

Site de Salon de Provence - France

### Baccalauréat in Mathematics and Physics

Maurice Janetti High School 2022-2023

Saint Maximin la Sainte Baume - France

## LANGUES

- French: Native
- English: Proficient

## SOFTWARE SKILLS

- C, C++, HTML, CSS, Arduino (C++)
- Fusion 360, SolidWorks, Eagle, Micro-Cap
- Word, PowerPoint

## INTERESTS

- 3D printing
- Running (5 years), gym (2 years)
- Guitar 7ans

## PROFESSIONAL EXPERIENCE

### Production Quality Agent

ST Microélectroniques – 2024

Rousset - France

- Operated machines following precise operational procedures.
- Monitored the production cycle according to clean concept standards.
- Entered operational parameters into the system.
- Reported malfunctions to the maintenance team.

### Photovoltaic Technician

C.O.A – 2025

Saze - France

- Maintenance of residential solar systems

## PROJECTS

### Line Follower Robot for Competition

Aix-Marseille University IUT - 2024

Paris - France

- Participation in a robotics competition
- Prepared a detailed report describing the project function by function.
- Programmed the robot's "brain" on an Arduino Mega board.
- Implemented a state machine to manage the robot's behavior in different scenarios (e.g., counting intersections).
- Integrated and managed sensors and servo motors using a Grove shield.

## ADDITIONAL EXPERIENCE

### Guitar Teacher

2023 – 2024

Saint Maximin & Salon de Provence
